

Changes to your recycling and non-recyclable waste collections

From
Monday
3 June
2024

 Sir Ddinbych yn ailgylchu
Denbighshire recycles

Cyngor
sir ddinbych
denbighshire
County Council

What's changing?

From Monday 3 June 2024:

- 1.** you'll need to **sort your 'dry' recyclable items into separate bins**. We're installing in your bin storage area a:
 - **black bin with red sticker** for your:
 - **metal cans, tins, aerosols & foil**,
 - **plastic bottles, pots, tubs & trays**, and
 - **food & drink cartons** such as Tetra Pak,
 - **black bin with turquoise sticker** for your **glass bottles & jars**,
 - **black bin with blue sticker** for your **cardboard**, and
 - **black bin with dark blue sticker** for your **paper**.

We'll no longer collect your 'dry' recycling from the single blue bin you currently use. We'll remove this bin when we install the new bins.

.....

- 2.** we'll **collect the contents of the new communal bins for your 'dry' recycling every week**.
-

- 3.** we're introducing new collections for your **small electrical items** (page 11), **household batteries** (page 11), and **textiles** (page 12).
-

- 4.** we'll **collect your non-recyclable waste every four weeks** from the usual **black bin with black lid**. On average, you may put the equivalent of **up to four filled single-use black sacks in the bin every four weeks**.
-

- 5.** **your collection day may change**. To check your new collection dates, visit our website or contact us from Wednesday 15 May 2024.
-

What isn't changing?

- We'll continue to **collect your food waste** from the **communal brown bin every week**.
- If you're registered for the service, we'll **collect your absorbent hygiene products (AHP)** – such as nappies and incontinence items – from **your black caddy with purple lid every week**.

Why we are making these changes.

With a national recycling rate of over 65%, Wales is the world's third best recycling nation, but we need to do more...

- ✓ By collecting your recycling in separate bins, already sorted, it'll improve the quality of the materials we collect from you. This means more of it will remain within the UK to be recycled to create new products – rather than being sent abroad – which reduces our carbon emissions and helps prevent climate change.
- ✓ By introducing new collections for your small electrical items, household batteries and textiles, it'll make it even easier for you to recycle more of your waste from home.
- ✓ Whilst most people in Denbighshire recycle, 33% of what's put in bins or pink sacks for non-recyclable waste could have been easily recycled instead. By increasing how often we collect your recycling, introducing extra collections for other recyclable materials, and reducing how often we collect your non-recyclable waste, it will encourage more residents to sort their waste and recycle what they can from home.
- ✓ The changes are in line with the advised approach for all recycling and non-recyclable waste collections across Wales set by Welsh Government, which will help us meet its statutory target of recycling 70% of all our waste by 2025. We currently recycle 66% of our waste (2022/23).
- ✓ Several Welsh local councils have already rolled out some of these changes and they've seen an increase in the quantity and quality of recycling collected in those areas.

How should I present my recycling and non-recyclable waste for you to collect?

1. Put the correct items in the correct containers.
.....
2. Place recyclable items loosely into the bins, not in plastic bags (apart from shredded paper (page 10), household batteries (page 11), and e-cigarettes and vapes (page 11)).
.....
3. Tie your food waste caddy liners and single-use sacks for textiles securely.
.....
4. Close the lids on all bins and caddies to prevent your recycling and non-recyclable waste from escaping, and to keep their contents as dry as possible.
.....
5. Use only the Council-provided bins, caddies, caddy liners, and sacks for your recycling. (Please see page 17 to find out what to do if any of the bins are full.)
.....
6. Keep the space around the bin storage area clear.
.....

Want to check your new collection dates?

Visit our website or contact us from Wednesday 15 May 2024.

What goes where?

Food waste

Brown bin

✓ Yes please

- ✓ Used teabags and coffee grounds
- ✓ Eggshells
- ✓ Fruit skins and vegetable peelings
- ✓ Raw and cooked meat and fish, including bones and shells
- ✓ Plate scrapings
- ✓ Leftovers that can't be safely stored to eat later
- ✓ Food that's no longer safe to eat
- ✓ Pet food

Please remember:

- if you need a new supply of food waste caddy liners for your indoor caddy, you may order a new supply from our website or you may collect these from your nearest One Stop Shop

✗ No thank you

- ✗ Packaging of any kind
- ✗ Liquids such as milk *
- ✗ Liquid oils or fats **
- ✗ Any material that's not food waste

* You may pour small amounts of liquid food or drinks down the sink, ideally alongside a small amount of water to ensure the waste runs away easily, without causing blockages.

- ** Please take these items to your local Recycling and Waste Park in a suitable container.

If you need to get rid of any fats that are solid or only part-liquid, please bag these items then put them in the black bin with black lid for non-recyclable waste.

We collect your **food waste** from your bin storage area **every week**.
To check your collection dates, visit our website or contact us.

What goes where?

Metals, plastics and cartons

Black bin with red sticker

- Metal cans, tins, aerosols and foil
- Plastic bottles, pots, tubs and trays
- Food and drink cartons, such as Tetra Pak

✓ Yes please

Metals

- ✓ Drinks cans, such as those used for beer and soft drinks
- ✓ Food tins, such as those used for beans and soup
- ✓ Metal chocolate and biscuit tins, and their lids
- ✓ Empty aerosols
- ✓ Clean foil sheets and trays

Cartons

- ✓ Food and drink cartons, such as Tetra Pak, used for fruit juice, milk and soup

Please remember to:

- remove any pumps from toiletry bottles and put these in the black bin with black lid for non-recyclable waste
- remove any plastic film or absorbent pads and put these in the black bin with black lid for non-recyclable waste
- empty and rinse metal and plastic items
- safely squash metal and plastic items to make them smaller, if possible
- ensure aerosols are empty
- ensure foil is clean

✗ No thank you

Metals

- ✗ Crisp packets *
- ✗ Foil sweet wrappers *
- ✗ Food or drink laminated foil pouches, such as those used for coffee, juice, rice, baby food or pet food *
- ✗ E-cigarettes or vapes **

* If you need to get rid of these items, see page 15.

** Please dispose of these as small electrical items (see page 11).

What goes where?

Metals, plastics and cartons continued...

Yes please

Plastics

- ✓ Plastic skincare and toiletry bottles, such as those used for hand wash, body wash, shower gel, shampoo, conditioner and bubble bath
- ✓ Plastic cleaning product bottles, such as those used for bleach, washing-up liquid, laundry detergent and fabric conditioner, and tubs that hold laundry washing capsules and tablets
- ✓ Plastic drinks bottles, such as those used for soft drinks, milk and water
- ✓ Plastic pots, such as cream and yoghurt pots
- ✓ Plastic tubs, such as butter, margarine, chocolate, sweet and ice cream tubs
- ✓ Plastic trays, such as cake, muffin and meat trays
- ✓ Plastic punnets, such as fruit and vegetable punnets
- ✓ Plastic takeaway trays and lids
- ✓ Plastic bottles from your garage, greenhouse or shed, such as non-toxic liquid plant food bottles

No thank you

Plastics

- ✗ Plastic bags or wrapping (see page 15)
 - ✗ Black or brown plastic bottles, pots, tubs or trays ***
 - ✗ Netting used to package fruit or vegetables ***
 - ✗ Cat or dog dry food bags ***
 - ✗ Garden compost or topsoil bags ****
 - ✗ Blister packs, that is the plastic packaging used for tablets or capsules ***
 - ✗ Toothbrushes or toothpaste tubes ***
 - ✗ Plastic razors ***
 - ✗ Hard plastics, such as garden chairs, children's toys, kitchen bins, washing-up bowls, plant pots or Tupperware containers ****
 - ✗ Lighters ****
 - ✗ Gas canisters ****
 - ✗ E-cigarettes or vapes *****
- *** Please put these items in the black bin with black lid for non-recyclable waste.
- **** Please take these items to your local Recycling and Waste Park.
- ***** Please dispose of these as small electrical items (see page 11).

What goes where?

Glass bottles and jars

Black bin with turquoise sticker

✓ Yes please

- ✓ Glass bottles, such as those used for beer, wine and soft drinks
- ✓ Glass jars, such as those used for baby food and sauces
- ✓ Non-food and drink glass bottles and jars, such as those used for perfume, aftershave and face creams

Please remember to:

- empty and rinse glass items
- remove any metal or plastic caps or lids and put these in the black bin with red sticker for mixed metals, plastics and cartons

✗ No thank you

- ✗ Ceramics or china *
- ✗ Drinking glasses *
- ✗ Flat glass, such as windowpanes *
- ✗ Mirrors *
- ✗ Light bulbs *
- ✗ Glass cookware, such as Pyrex *
- ✗ Microwave plates *
- ✗ Vases *
- ✗ Nail varnish bottles *
- ✗ Broken glass *

* Please take these items to your local Recycling and Waste Park or put them in the black bin with black lid for non-recyclable waste. Wrap these items safely in an old newspaper or kitchen roll, or double-bag them, to ensure our crews aren't harmed when collecting them.

We collect your **glass bottles and jars** from your bin storage area **every week**.
To check your collection dates, visit our website or contact us.

What goes where?

Cardboard

Black bin with blue sticker

✓ Yes please

- ✓ Cardboard boxes, such as those used for cereals, cakes, dishwasher tablets, shoes, tissues, toiletries, and toothpaste
- ✓ Toilet roll tubes
- ✓ Egg cartons
- ✓ Card sleeves used to package foods, including ready-meals and multipacks
- ✓ Greeting cards that don't have badges, bows, foil, glitter or ribbons
- ✓ Cardboard backing from packs of batteries and toothbrushes
- ✓ Online delivery boxes and cardboard envelopes
- ✓ Brown and grey paper

Please remember to:

- cut and flatten cardboard to ensure it fits in your black bin with blue sticker
- keep cardboard dry

✗ No thank you

- ✗ Food, oil, grease or paint-contaminated cardboard, such as pizza boxes *
 - ✗ Greeting cards that have badges, bows, foil, glitter or ribbons that can't be removed *
 - ✗ Wrapping paper *
 - ✗ Polystyrene *
 - ✗ Food or drink cartons, such as Tetra Pak, used for fruit juice, milk or soup **
- * Please put these items in the black bin with black lid for non-recyclable waste.
- ** Please put these items in the black bin with red sticker for mixed metals, plastics and cartons.

We collect your **cardboard** from your bin storage area **every week**.
To check your collection dates, visit our website or contact us.

What goes where?

Paper

Black bin with dark blue sticker

✓ Yes please

- ✓ Letters
- ✓ Envelopes, with and without windows
- ✓ Magazines
- ✓ Newspapers
- ✓ Brochures and catalogues
- ✓ Printer paper
- ✓ Small quantities of shredded paper, such as receipts and household bills – please put this in a single-use plastic bag and tie it, before putting it in the black bin with dark blue sticker

Please remember to:

- keep paper dry

✗ No thank you

- ✗ Kitchen roll, paper towels or tissues *
- ✗ Scratch cards *
- ✗ Sticky papers, such as Post-it notes, sticky labels or paper tape *
- ✗ Wallpaper *
- ✗ Wrapping paper *
- ✗ Food, oil, grease or paint-contaminated paper *
- ✗ Plastic film, such as that used to wrap magazines (see page 15)
- ✗ Wet paper of any kind *

* Please put these items in the black bin with black lid for non-recyclable waste.

We collect your **paper** from your bin storage area **every week**.
To check your collection dates, visit our website or contact us.

What goes where?

Small electrical items

Place items loosely on the floor, next to the bins.

✓ Yes please

- ✓ Kettles
- ✓ Hairdryers
- ✓ Toasters
- ✓ Power tools
- ✓ Radios
- ✓ Irons
- ✓ E-cigarettes and vapes – please put these in a single-use plastic bag, tie it securely, then place it on the floor, next to the bins

✗ No thank you

- ✗ Electric clothes airers *
- ✗ Televisions *
- ✗ Vacuum cleaners *
- ✗ Microwaves *
- ✗ Fridges or freezers *

* Please take these items to your local Recycling and Waste Park.

Please remember:

- items should be no larger than a kettle or toaster

Household batteries

Put items in a single-use plastic bag, tie it securely, then place it on the floor, next to the bins.

✓ Yes please

- ✓ Household batteries, such as AAA, AA, B, C, D, DD and 9V batteries

✗ No thank you

- ✗ Lithium-ion 'button' batteries, such as those used in calculators, hearing aids or watches *
- ✗ Chargeable batteries from laptops, mobile phones, power tools or vacuum cleaners *
- ✗ Car batteries *
- ✗ Battery chargers *
- ✗ E-cigarettes or vapes **

* Please take these items to your local Recycling and Waste Park.

** Please dispose of these as small electrical items (see left column).

We collect your **small electrical items** and **household batteries** from your bin storage area **every week**. To check your collection dates, visit our website or contact us.

What goes where?

Textiles

Single-use white sack

Put items in the sack, tie it securely, then place it on the floor, next to the bins.

Yes please

- ✓ Adults and children's clothing
- ✓ Shoes
- ✓ Handbags
- ✓ Belts
- ✓ Curtains
- ✓ Bedding

No thank you

- ✗ Duvets or quilts *
- ✗ Pillows *
- ✗ Sleeping bags *
- ✗ Cushion inners *
- ✗ Carpets *

* Please take these items to your local Recycling and Waste Park.

Please remember:

- to ensure textiles are clean and dry, and shoes are in pairs
- to use only the single-use white sacks provided by our partner, Co-Options Social Enterprise
- if you need to order a new supply of white sacks, email Co-Options at office@cooptions.co.uk or call them on 01745 332300
- this new collections service is optional; you may still take unwanted clothing to your local Recycling and Waste Park, or any other legitimate outlet

Co-Options will collect **textiles** from your bin storage area **every four weeks**, on the same day as your non-recyclable waste.

To check your collection dates, visit our website or contact us.

What goes where?

To find out how and when you can register for this free collections service, visit www.denbighshire.gov.uk/absorbent-hygiene-products or contact us

Absorbent hygiene products

Black caddy with purple lid and single-use purple sacks

✓ Yes please

- ✓ Nappies, nappy bags and wipes
- ✓ Disposable bed pans and liners
- ✓ Incontinence pads
- ✓ Bed and chair pads
- ✓ Colostomy and stoma bags
- ✓ Catheter bags and urine bottles
- ✓ Plastic gloves and disposable aprons

Please remember:

- to use only the Council-provided single-use purple sacks and black caddy with purple lid
- if you need to order a new supply of purple sacks, attach a 'reorder tag' to the handle of your caddy, then we'll leave a new supply of sacks on top of, or alongside, it. Alternatively, contact us

✗ No thank you

- ✗ Sanitary products, such as sanitary liners, tampons or towels **
- ✗ Plasters or bandages **
- ✗ Clinical waste, such as dressings contaminated with blood, needles, syringes or other sharp products ***
- ✗ Vomit *
- ✗ Human faeces *
- ✗ Animal faeces **

* Please flush this waste down your toilet.

** Please bag these items then put them in the black bin with black lid for non-recyclable waste.

*** Denbighshire County Council doesn't provide a 'sharps' collection for these items. Please contact your local health board, district nurse team or NHS 111 for advice.

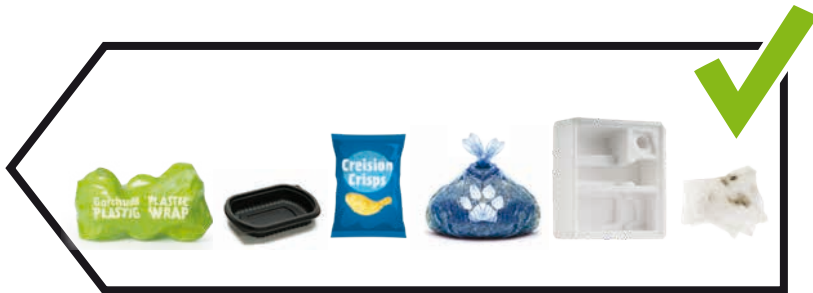

We collect your **absorbent hygiene products** from your bin storage area **every week**, if you're registered for this service. To check your collection dates, visit our website or contact us.

What goes where?

Non-recyclable waste

**Black bin with
black lid**

Yes please

- ✓ Black and brown plastic bottles, pots, tubs and trays
- ✓ Nappies (see page 13)
- ✓ Wet wipes
- ✓ Polystyrene
- ✓ All remaining household waste that can't be recycled *

* If you need to get rid of any **plastic bags and wrapping**, see page 15 to find out how you can recycle these at 'out-of-home' recycling points at locations such as supermarkets.

No thank you

- ✗ Any items that can be recycled from home using your Council-provided containers, or those that can be recycled at your local Recycling and Waste Park

Please remember:

- you may put the equivalent of up to four filled single-use black sacks in the bin every four weeks
- not to put additional waste alongside, or on top of, the black bin with black lid. This is known as 'side waste'. We don't collect 'side waste' and you may have to pay a fine

We collect your **non-recyclable waste** from your bin storage area **every four weeks**.

To check your collection dates, visit our website or contact us.

What goes where?

What should I do with plastic bags and wrapping?

If you need to get rid of any **plastic bags or wrapping**, some of these items are accepted at **'out-of-home' recycling points** at locations such as supermarkets.

Visit walesrecycles.org.uk to find your nearest facility.

The types of items accepted may vary between different locations, therefore please follow the guidance provided by the organisation managing the recycling point.

If you're unable to take these items to one of these facilities and you need to dispose of these at home, please put them in your **black bin with black lid for non-recyclable waste**.

Carrier bags and Bags for Life

Ready-packed fruit, salad and vegetable bags

Thin plastic bags for loose fruit, salad and vegetable items

Film, such as cling film, ready meal lids or yoghurt pot lids

Freezer bags

Frozen food bags

Pasta and rice bags

Bread bags

Magazine and newspaper wrapping

Multipack wrapping and rings from bottle and can multipacks

Cereal box liners

Wrapping from toilet and kitchen roll packs

Dry cleaning bags and bags covering new clothing

Parcel bags and bubble wrap

Packaging and sticky tape

Crisp packets and biscuit wrappers

Food and drink laminated foil pouches, such as those used for coffee, juice, rice, baby food or pet food

Please don't put plastic bags and wrapping in the black bin with red sticker for mixed metals, plastics and cartons.

Frequently asked questions

How should I sort my recycling and non-recyclable waste inside the home?

How you manage your recycling and non-recyclable waste inside your home will be up to you and will be an individual choice. If you'd like any advice or help to sort your recycling, please contact us.

I need help sorting and recycling my waste. Can you please help me?

We have a team of Recycling Officers that can:

- give you advice and guidance about all our recycling and non-recyclable waste services, and
- support you to maximise your recycling and minimise your non-recyclable waste.

To arrange for one of our Recycling Officers to visit you in your home, please contact us.

What should I do with bulky waste?

If you have a household item that's too large for you to take to your local Recycling and Waste Park, you may arrange for a bulky item collection, which means we'll collect this item from your home for a small fee.

For information or to book a bulky item collection, visit our website or contact us.

What else can I recycle?

To find out what other household waste you can recycle at home or at your local Recycling and Waste Park, use our handy 'A to Z Recycling Guide'. It allows you to search for an item and we'll tell you how to recycle or dispose of it correctly.

To access our 'A to Z Recycling Guide', visit our website at www.denbighshire.gov.uk/recycling

What happens to my recycling once you collect it?

To find out what happens to your recycling once we collect it, and where each separate material goes, visit www.myrecyclingwales.org.uk

To find out what your recycling becomes, visit www.walesrecycles.org.uk

What will happen if I accidentally put the wrong items in the recycling bins?

It's important you put the correct items in the correct containers, and that your recycling containers don't contain materials that can't be recycled. However, we recognise anyone can make a mistake. If, after looking at this booklet, you're unsure of where to put certain items, take a look at our online handy 'A to Z Recycling Guide', which allows you to search for an item and we'll tell you how to recycle or dispose of it correctly.

If you're still unsure about how to dispose of certain items correctly, please contact us.

If you realise you've put something in the wrong container after we've collected your recycling, please don't worry – just try to remember to get it right next time.

Frequently asked questions

What will happen if I don't recycle my waste?

Most people in Denbighshire recycle what they can – thanks to those of you that are doing your bit. But sadly, a few people aren't doing all they could be, and could have to pay a fixed penalty of £100 or appear in court.

Why have you collected some of my recycling and non-recyclable waste, but not all of it?

We'll collect your recycling and non-recyclable waste on different days of the week, in separate vehicles, and at different times between 7am and 3pm. Please don't report any missed collections until the day after your usual collection day, and check our website or social media accounts for information about any disruptions to our collection services.

And please remember, whilst we collect your recycling every week, we collect your textiles and non-recyclable waste every four weeks. To check your collection dates, visit our website.

What should I do if the communal bins in my bin storage area are full?

If any of the bins for recyclable materials are full, please:

- hold onto your extra items until we've collected the contents of the bin(s), or
- put these items in separate cardboard boxes and place these boxes next to the relevant bins.

For example, if you've more glass bottles and jars to put out than you can fit in the communal bin with turquoise sticker, please put these items in a cardboard box and place it next to that bin. Similarly, if you've more metal cans or plastic bottles to put out than you can fit in the communal bin with red sticker, please put these in a cardboard box and place it next to that bin.

Alternatively, you may take the extra items to your local Recycling and Waste Park.

If the black bin with black lid for non-recyclable waste is full, please hold onto your extra items until we've collected the contents of the bin(s), or take them to your local Recycling and Waste Park.

What should I do if I see someone misusing the bins or bin storage area?

If you spot any misuse of the bins or bin storage area, please contact us immediately, or report this to your housing officer if you are a Denbighshire tenant.

Are you subscribed to our e-newsletter?

We include the latest news and updates about our recycling and non-recyclable waste services in County Voice, our residents' e-newsletter.

To subscribe to County Voice, scan the QR code or visit www.denbighshire.gov.uk/county-voice

**Your recycling is making a BIG
difference in Denbighshire.**

Thank you for continuing to do the
right thing and for doing your bit
for the environment, by sorting your
waste and recycling.
