ARE YOU LOOKING AFTER A CHILD, BUT YOU'RE NOT A RELATIVE OR LEGAL GUARDIAN?

IF YOU ARE, YOU'RE NOT ALONE

PRIVATE FOSTERING - LET CHILDREN'S SERVICES KNOW

**It is estimated more than 12,000 children in Wales
and England are privately fostered.**

A privately fostered child is defined as a child under 16 (or under 18 with disabilities) living with a person who is not a relative or legal guardian for more than 28 days.

Children's Services has a legal requirement to ensure these children's welfare is being safeguarded and the suitability of the adults looking after them. If you are looking after someone else's child for more than 28 days you are legally required to let Children's Services know.

Children's Services can provide support and advice we do not want to interfere in what is working well. We want any private arrangement to go as smoothly as possible and if we can help in any way we will.

Anyone in Denbighshire who is privately fostering a child and has not informed us, is unaware that this was required or is planning to privately foster in the future should contact Children's Services.

**Amcangyfrifir bod dros 12,000 o blant Cymru a

Diffinnir plant sy'n cael eu maethu'n breifat fel plant o dan 16 (neu o dan 18 hefo anabledau) sy'n byw hefo person sydd ddim yn berthynas neu warcheidwad cyfreithlon am fwy na 28 dydd.

Mae gan y gwasanaeth plant ofyniad cyfreithiol i sicrhau diogelu lles y plant hynny ac addasrwydd yr un sy'n edrych ar eu hol. Os ydych yn edrych ar ôl plentyn rhywun arall am fwy na 28 dydd mae gofyn i chi adael i'r Gwasanaeth Plant wybod am hynny.

Gall y Gwasanaeth Plant roi cyngor a chymorth i chi - dydyn ni ddim eisiau amharu ar rywbeth sy'n gweithio'n dda. Rydym eisiau i drefniadau preifat fynd mor llyfn â phosibl ac os gallwn helpu mewn unrhyw ffordd, fe wnawn.

Dylai unrhyw un yn Sir Ddinbych sy'n maethu plentyn yn breifat ac sydd heb roi gwybod i ni, sydd ddim yn gwybod bod angen gwneud hyn, neu sy'n bwriadu maethu'n breifat yn y dyfodol, gysylltu hefo'r Gwasanaeth Plant.
