

Do YOU want the best for YOUR children?

CORPORATE PARENTING STRATEGY

The Corporate Parenting Strategy demonstrates our commitment to taking corporate responsibility for improving the life chances and outcome of every child and young person looked after by Denbighshire County Council. The Strategy outlines our key aspirations for looked after children and care leavers and sets the actions we intend to take to achieve these aspirations.

Promoting Education and Employment Opportunities

Education Champion Scheme

Increasing accreditation through the Children & Young Peoples' University

Employment opportunities and work experience within Denbighshire County Council

Encouraging Participation, Social and Leisure Interests

Children in Care Council

Awards ceremonies celebrating achievements of looked after children and care leavers

Involvement of our children & young people in training, advocacy and consulting

Providing a safe and secure home

Accommodation support packages for care leavers

Accommodation and support for care leavers at University

Improving access to good quality, affordable accommodation for care leavers

Developing & Promoting Corporate Parenting

Development of School Governors as Corporate Parents

Elected Members Corporate Parenting Training
