

# COME TO A PUBLIC CONSULTATION!

To find out about a proposed new Public Square and Extended Quay Wall at Foryd Harbour

*Artists impression of the proposed harbourside development*

## What are the Proposals?

Denbighshire County Council, under the Rhyl Going Forward programme of regeneration is planning extensive developments for the Foryd Harbour area. The current proposals are to construct a new public square and harbour building, along with an extended quay wall at Horton's Nose on the West side of Foryd Harbour.

## Why are we having an Exhibition?

The Council would like to provide information to residents and groups that might be interested in, or affected by the plans. We want to find out about any local concerns, and are seeking views on the best ways to minimise the impact and maximise the benefits of this proposed development.
