

JULY 12th & 13th TRAC 11-24 AND ADTRAC MEET THE BUYER EVENTS

Organisations who are interested in working with Denbighshire County Council, Grŵp Llandrillo Menai and partners on these North Wales Regional Projects are invited to attend 'Meet the Buyer' events on 12th or 13th July 2018. These events are being hosted by the project leads and facilitated by Business Wales, and provide an opportunity to find out more about our aspirations for our participants, as well as ask questions about the projects and the procurement processes.
