Prestatyn High Street Public Realm Improvement Scheme – November 2026

Bridge Road

- To introduce a permanent 2-way traffic flow on Bridge Road, as per the current traffic trial.

- To have a raised table on Bridge Road to slow traffic approaching the roundabout.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

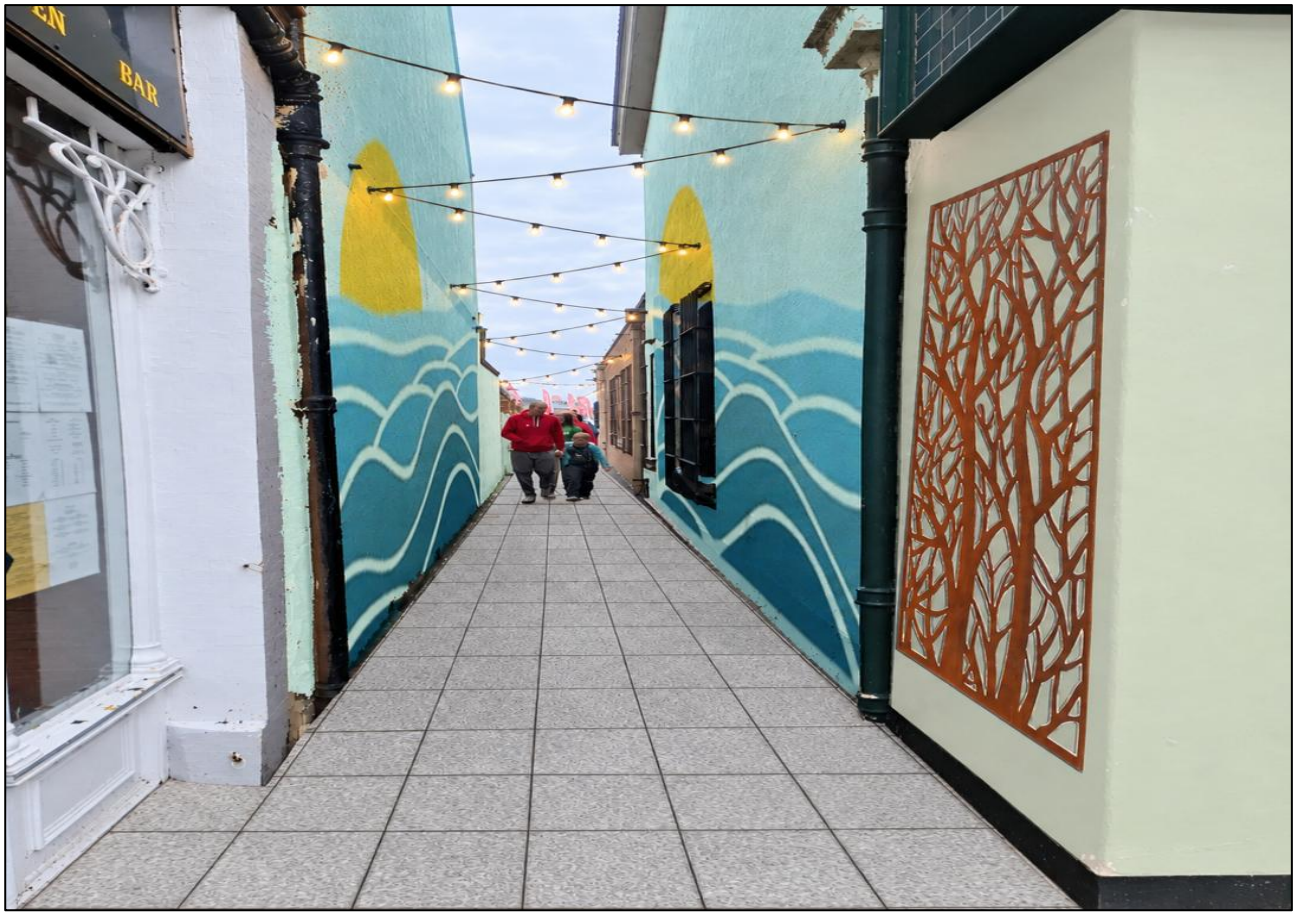

High Street – Lower

- To narrow the carriageway and widen the pavements.
- To introduce low level planting.
- An opportunity for businesses to introduce outdoor seating.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Alleyway from Church Lane to High Street

- To improve the paving.
- To introduce lighting and artwork.
- Creating a more inviting walk through.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Penisardre Road

- To build out the pavement areas.

- To introduce low level planting.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Lon Alwen

- New paving.

- This is what we would like to achieve but do not have sufficient budget for planters, greenery and lighting so would need to secure additional funding or support from local businesses

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Church Lane

- New paving.

- This is what we would like to achieve but do not have sufficient budget for planters, greenery and lighting so would need to secure additional funding or support from local businesses.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Church Lane (Night)

- New paving.

- This is what we would like to achieve but do not have sufficient budget for planters, greenery and lighting so would need to secure additional funding or support from local businesses.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Parc Prestatyn Retail Park

A stainless-steel archway on the edge of the retail park car park to encourage pedestrians to visit the High Street via Church Lane or Lon Alwen.

This will be illuminated in the evenings.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

High Street – Middle

- To install a new pedestrian crossing.

- To introduce new planting and seating areas on the High Street, removing seating from the raised planted area.

- To have 8 parking spaces on the High Street.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Kings Avenue

- To widen the pavement areas.
- To introduce low level planting and trees.
- To install new car parking spaces.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Ty Nant Road

- To amend the traffic flow to 1 way with traffic from High Street as the entry point.
- Building out paving areas for low level planting.
- To have 10 formal car parking spaces.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

Victoria Avenue

- To improve pavements.

- To introduce 2 new car parking spaces for traffic turning into Victoria Avenue.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

High Street – Upper

- Narrow the carriageway and widen the pavements for pedestrians.
- Planting in movable planters.
- Installing an additional 2 car parking spaces in the old bus stop.

Prestatyn High Street Public Realm Improvement Scheme – November 2026

High Street - Upper – Classic Car Show

- As previous image.

- With the ability to move the planters enabling cars to be displayed as pictured for events.
