All appointments are subject to proof of qualifications.

## **Employment**

You should complete this section in full, giving all periods of employment since leaving full time education, along with dates which show the month and year you were appointed/left the post. You must also clearly identify any gaps in employment, including dates and explain the reason for that gap in employment, i.e. raising a family, caring for a relative, gap year etc.

## **Supporting statement**

This is your opportunity to promote yourself and provide the evidence that you match the essential and desirable criteria outlined within the person specification. Please give examples and demonstrate, where possible, how you meet the criteria outlined within the person specification and include any other interests or examples which may be relevant to the post. Applicants must meet all of the essential criteria (as a minimum) in order to be invited for interview.

If so, please give particulars on the application form. A candidate who knowingly fails to disclose such a relationship shall be disqualified for the appointment.

## **References**

References will only be sought after an 'offer of employment' has been made. Successful candidates will not be able to commence employment until we have received satisfactory references. All appointments are subject to satisfactory references.

Character references will only be acceptable if you have just left school or haven't been

employed in any capacity. In this instance, you must provide one referee from a senior member of staff from your school, college or university and the other should be a suitable character reference.

### External applicants

You must provide the names and addresses of your last two employers to whom reference can be made in support of your application. If these two references cover a period of less than three years then please provide reference details for all employers which will cover the whole three year period. Elected members and any member of the school governing body if applying for employment within a school must not be nominated as referees. To do so will disqualify you for the appointment.

### Internal applicants

You must provide one reference which must be your current line manager. However, if you are applying for a vacancy within a school, or for a post requiring CSIW registration, you must still provide two referees.

### Posts within domiciliary care

If you are applying for a job within the domiciliary care service, you must provide two referees. If you have moved employers in a care setting over the last 5 years, you must provide every employer's details as a referee. If your last employer was not one in a care setting, one reference must be from your latest position in a care setting.

## **Declaration**

Please ensure that you sign and date the application form to certify that the information that you have provided is correct at the time of completion. Failure to provide the correct information may result in the offer of employment being withdrawn or disciplinary action being taken. This may result in dismissal.
